# BADGE DAYS

Explore the Heritage Sandy Springs' historic park, museum exhibitions, and archival resources to earn Girl and Boy Scout badges and complete Cub Scout Adventures! Badge Days offered at Heritage Sandy Springs are either self-guided or instructive experiences. We will provide an overview of the museum and park and be available to answer questions throughout the day. All activities are based on the prescribed requirements set by the Boy Scouts of America and the Girls Scouts of the United States of America. Badge Days are from 10 a.m. to 1 p.m. on select Saturdays throughout the year.
